VIPPEPUNKT

VIPPEPUNKT 1.0 was a competence & mentoring program for young artists, musicians and producers.

Media training

VAT and finance planning

Lean Business Model / strategy workshops

Relevant practice and internships with professional artists

Building networks and professional relationships

Personal mentor program

VIPPEPUNKT 1.0 established a professional support and eco system for young people working in the creative industry.

With increased professionalism, expanded networks, personal mentors, courses and training in strategic work, the participants will now be able to build their practice and target their markets more clearly.

VIPPEPUNKT 1.0 gave the participants an ability to make strategic decisions for their own and others' futures, and they was able to build networks that are useful in promoting their activities and products giving them a better opportunity to build sustainable careers.

VIPPEPUNKT 1.0 was a project initiated by ELEFANT, TOU and MUSIKKONTORET STAR.

VIPPEPUNKT 1.0 was funded by Arts Council Norway / Creativ Norway for 3 years.
